LEAH RUMORE

CSP, CIT

Regional Director of Safety Services

Authorized OSHA Outreach Instructor

PROFESSIONAL BIO

PROFESSIONAL OVERVIEW

A seasoned and results-driven safety professional, Leah Rumore brings over two decades of experience in Environmental, Health, and Safety (EH&S;) leadership across construction, manufacturing, and industrial sectors. With a proven track record of cultivating strong safety cultures, Leah excels in building and managing safety programs that drive compliance, reduce risk, and support operational excellence.

Currently serving as Technical Director at United Safety Professionals, Leah Rumore provides comprehensive safety consulting for large-scale industrial and heavy construction projects, including site safety auditing, program development, and startup safety planning. Prior to this role, she supported a wide range of clients through her previous company, offering hands-on training and proactive safety planning.

During a nine-year tenure as Senior HSE Manager with The Middlesex Corporation, Leah Rumore led regional HSE teams, conducted internal audits, and shaped company-wide EH&S; initiatives. Leah Rumore earlier roles include Site Safety Manager with The Walsh Group, where Leah supported major infrastructure projects in Connecticut, and a decade-long career at Pratt & Whitney, where she advanced from EH&S; Specialist to Ergonomics Engineer and ultimately Generalist, driving ergonomics and industrial hygiene programs.

Throughout her career, Leah has demonstrated the ability to lead cross-functional teams, interface with all levels of an organization, and implement safety systems that protect people and enhance business outcomes.
